Creating tomorrow's workforce today!

Did you know?

- Up to 36,000 new workers are needed in the Queensland disability sector.
- Employers are finding it difficult to recruit the right workers.
- Not all jobs require a qualification.
- Employers are looking for candidates with certain values which fit with the disability sector e.g. respect and resilience.

Join a Jobs Roadshow and be part of:

Connecting workers and employers

Jobs Roadshows are mass online recruitment events connecting job seekers with employers to fill a wide range of jobs in the disability sector.

Live recruitment

At Jobs Roadshows you will hear from a range of employers who are currently recruiting for jobs in your area right now.

Speed interviews

Take part in a Speed Interview to show why YOU are the right person for the job!
